

Join us for **TEACHER SPEAKOUT!**

Hear teachers from Wisconsin rural schools share their experiences!

Monday, May 15, 3:00–4:00 pm
Wisconsin Idea Room (159), 1000 Bascom Mall
UW–Madison Education Building

Please join us for a celebration of elementary, middle and high school teachers from across the state, including the Barneveld, La Farge, Markesan, Mauston, Mercer, Phillips and River Valley school districts. Learn about the joys and challenges of teaching, learning and living in rural Wisconsin.

The teachers were thrilled when told that we would invite their legislators for this informal meet-and-greet event. Staffers are quite welcome too. Wisconsin's own Babcock ice cream will be featured.

We look forward to seeing you. Please direct any questions or thoughts to Jenny Seelig, TEACHER SPEAKOUT! Program Manager (jseelig@wisc.edu).
